

Utrecht University

Utrecht University, Mathematical Institute
Aachen-Bonn-Köln-Lille-Siegen

55th Seminar on Automorphic Forms & Dutch Intercity Number Theory Seminar

organizers: Gunther Cornelissen & Pieter Moree

Fri 23 November 2018

Utrecht Science Park "De Uithof" Minnaert Building room 201

13:15-14:15 Peter Bruin (Leiden)

On explicit computations with modular Galois representations

14:15-15:15 Alexandru Ciolan (Köln)

Asymptotics and inequalities for partitions into squares

15:45-16:45 Jan-Willem van Ittersum (Utrecht)

A symmetric Bloch-Okounkov theorem

16:45-17:45 Annalena Wernz (Aachen)

On Hermitian modular forms - Theta series and Maaß spaces
